BOOK-LENGTH BIOGRAPHIES

To locate books at PJC and other Florida Community College libraries, click on **Find Books** at the top of the library homepage. Select *Subject* from the left of the catalog search box and enter the person's name (last name only if name is unique) and either the word *biography* or *interviews* or *diaries*. Alternately, click on *Browse Lists* and enter the person's last name then first name; for example, **walker alice**. In the results list look for subheadings such as **Biography, Interviews, Diaries**, etc. Also check the titles listed under the person's name only (with no subheadings). **Both print and ebooks are noted in the catalog.**

Books available at the Warrington and Milton campuses, and those available at other Florida community colleges, can be sent to the Pensacola campus by clicking on the location of the book and using the *Request* option. Login is required to request books. Graphic instructions for using the catalog and requesting books, see http://library.pjc.edu/pdf/find_books.pdf Login instructions available below.

LIBRARY ONLINE SOURCES

Click on the [Find Articles](#) link at the top of the library home page for a list of most used article databases by subject. Login is required once a database is selected. Login is automatic from the library computers. **To log in from remote**

computers: 1) select Pensacola Junior college from the drop down menu; 2) type the 14-digit barcode number from the PJC ID card in the Borrower ID box; 3) type the last four digits of your Social Security number into the PIN box.

[Biography Resource Center](#)

A comprehensive, full-text, biographical reference database covering a wide variety of subjects. Users may search by name, birth date, nationality, ethnicity, occupation, or other criteria. Material is arranged by tabs. *Biography* and *Brief Biography* tabbed material includes some citing assistance at the end of the page. The *Magazine and News* tabbed material does not. Use citing guidelines to correctly cite sources.

[Literary Resources from Gale](#)

Provides biographies, bibliographies, and critical analyses of 120,000 novelists, poets, essayists, journalists, and other writers. Contains in-depth coverage of the 2,500 most-studied authors. For citing help, click on *Citation Tools* on the right. Select appropriate format, click Save, then Open or Save.

[Academic Search Complete](#)

Multidisciplinary source of articles from magazines and scholarly (peer reviewed) journals. Includes abstracts (summaries) of most articles. To **limit to full-text** articles only, check the appropriate box. *Advanced Search* provides a guided method for combining keywords. Citing assistance is provided at the record level by clicking on the small yellow page icon in the upper right.
